Variants 1:

**All teams are composed
from the same club**

If all the teams are composed from the same club, it is a very simple registration. Here is what it looks like when there is one team code.

The screenshot shows the WKC Admin2 interface. The sidebar on the left contains the following menu items: Clubs, Members, Officials, Competitions (highlighted with a red box), Our Federation, Phrases, Codebook, and Log out. The main content area displays a table of applications for the XII WKC Championships. The table has the following columns: ID, Code, Description, Registered Competitors, and Actions. The row for ID 190 is highlighted with a red box. The 'Registered Competitors' column for this row shows a red box around the icon, with the text 'click here' below it.
