Bulletin 1/2011

Dear Mr. President,

First of all we would like to wish you and your members a very happy and prosperous New Year. May the coming year also bring you every success.

In a short time the WKC will take part in the 4th International Martial Art Games in Tallinn, Estonia. All details for the Games are published on our webpage www.wkc-org.net under the button "Calendar".

4th International Martial Art Games, Tallinn 23rd – 27th February 2011

The minimum age for the karate competition at these Games is 14 years (Cadets). The different categories in the age groups Cadets, Junior and Seniors are listed under the button "Categories" and the karate competition rules may be found under "Event Rules".

Please register your competitors and officials only via e-mail until the 21st January 2011! This is the absolute deadline. Athletes will not be allowed to register or even may take part in the Games after the deadline. The registration form is published on the webpage under the button "Calendar". There you find also the forms for accommodation and visa application.

For all questions related to accommodation and visa application please contact the local organizer directly:

Ms. Elo-Hanna Seljamaa
seljamaa@tkd.ee

The various hotels are listed in the information package under “Calendar”. Please make sure to book your accommodation only through the Tallinn organizing committee, otherwise you have to pay an extra fee to the organiser (see the information package).

The participation fees of 35 Euro for entry per individual category will go to and be collected by the local organiser, not by the WKC.

The karate competition days will be on 26 and 27 February 2011, the referee and coach seminar (mandatory for all referees and coaches) as well as the weigh-in and personal registration will be on Friday, 25th February 2011. All karate participants have to arrive in Tallinn on 24th February 2011 the latest.

We hope to meet many of the WKC member federations with their competitors as well as many guests from other karate federations at the Games.

Please see the attached invoice for the year 2011 for your federation. You are kindly requested to transfer the membership fees to one of the WKC bank accounts. Please use the correct IBAN and BIC (swift code) of our accounts and do not forget to mention the abbreviation of your federation on the reference of the bank form (for example “SKU 2011” for *Serbian Karate Union membership fees 2011*).

Sincerely yours

Marko Nicović
