

To all WKC member federations

9th September 2021

Bulletin 1/2021

The preparations for 11th Open European WKC Cup for Children, Cadets, Juniors and Seniors are in full progress. Those of us who participated at the 10th *European Championships in Resita* in 2018 will remember the good organisation, the fantastic mood and the overwhelming hospitality of the local people. Now we are returning to Resita to celebrate our great event after the break of two years.

The cancellation of the Championships that was originally planned in Novo Mesto, Slovenia, made it necessary to transfer the championships to another country. We are very thankful to the ACS SportStar Anina with their president Prof. Eng. Marian Meşinschi and his organising team from Resita that they reacted so fast and offered their help in this desolate situation. Especially we are grateful to the municipality of Resita, before all Mr. Ioan Popa, Mayor, and Mrs. PhD Liliana Dacica, town manager for culture, education, sports and religions for their cooperation and support.

The registration for the 11th Open European WKC Cup for Children, Cadets, Juniors and Seniors is now open until September the 20th at: <https://reg.openentry.net/>

Instructions on how to use the system are here:
